

The Knight Informer

Waconia Knights of Columbus Council # 2506
Website: www.waconiaknightsofcolumbus.com

Brother Knights,

Expanding on the theme for this year's Supreme Convention- "So that the world may know new hope", our Supreme Knight Carl A. Anderson stated the Knights "bring new hope to the world when we live out our principles of charity, unity, fraternity and patriotism in ways that change lives for the better".

Your brother Knights remain an entity whose sole purpose is to seek out needs within our parishes and community and do what we can to satisfy that need. Hopefully this leads us all, giver and receiver, to grace and a hope that what we do is an example encouraging others to produce good works. As a group, the work of the Knights worldwide are very impressive: 1.8 million members, over 14,000 councils worldwide, 70 million volunteer hours and \$155 million dollars raised in 2010.

Your Council 2506 provides the means and structure to make a positive difference - USE US & TAKE FULL ADVANTAGE OF ALL OUR BENEFITS! Our business meeting **November 1** is a planning meeting for the year. All officers and directors are encouraged to attend as we plan and budget for the upcoming year.

A few other dates to note- our Columbus Day Mass on Saturday **October 15 at 5:15PM** with the 4th Degree, a 1st Degree ceremony at our regular meeting on **October 18** back in the Parish Center and our Catholic Education Breakfast on Sunday **October 23** in the Parish Center.

Special thanks to everyone who helped close up the Park. Grass is mowed & garbage service suspended

And a special thanks to Ron Rademacher and crew for the fine food and effort at our Fish Social last month. Keep hoping and praying.

Scott Rynerson, Grand Knight

Volunteers needed – This Friday, October 14 at 1 pm at the Church

Karen Bonick, St. Joe's Pro-Life Chairperson, has requested KC volunteers to help hammer down 400 crosses this Friday at 1 pm in front of the church. Brother Maximillian from the Franciscan Brothers will be putting 400 crosses on church property to remind people of the 4,000 babies lost every day to abortion.

Brother Max is bringing several Brothers with him to help, but he also requested that 4-5 men from our parish help as well. If anyone is available to help, they should bring work gloves and a mallet. People can contact Karen Bonick soon at kbonick36@hotmail.com or (952) 368-4207. Thank you, brother knights.

Bring Food Shelf items to regular meetings!

Our council starts collecting Food Shelf items this month at all our regular meetings in the Parish Center. So brother knights, grab your hats, your membership cards and a canned good or non-perishable item each month and help make a difference for someone in need.

St. Joseph's Fall Festival

I heard great things about the KC members who volunteered! Catherine Seck, Fall Festival Chair, expresses her thanks to the KC volunteers for making this first ever spaghetti dinner a success! And from the comments that this editor heard –and tasted! - the chef and his crew were a big success! The Silent Auction went smooth too and several nice prizes were auctioned off to the highest bidders. Father Larry got up to “jam” with the band and there was even a “flash” mob that suddenly occurred at the event! Final tally numbers will be ready hopefully this week! Great job on the Fall Festival spaghetti dinner! Also thanks to Danny S. for donating extra food to the Fall Festival!

The Waconia Knights of Columbus website has so much to offer!!

You will find an array of services and information on our website such as photographs of our events, times and dates for special events and notices, general membership lists and our board and committee member contact information. We have your “Meeting and Events Calendar” posted on the site for your convenience! Check us out at www.waconiaknightsofcolumbus.com.

You may also visit the **State Council of Knights of Columbus** at www.mnknights.org for more helpful information and interesting articles about the Knights of Columbus.
